ABOUT US

The Singapore Institution of Safety Officers (SISO), a professional organization dedicated to representing, promoting, and supporting individuals involved in Workplace Safety and Health (WSH) practices, aiming to safeguard people, property, and the environment. Our vision is to be the foremost institution driving the advancement of the WSH profession.

MISSION

SISO shall establish professional development opportunities to continually enhance the skills, knowledge, attributes and competence of our members.

SISO shall promote and uphold high standards of professional practice among our members.

SISO shall advance the Vision Zero philosophy as a strategy for preventing workplace accidents.

ABOUT THE CONFERENCE

Welcome to the 21st edition of the highly anticipated SISO WSHO Conference, organized by the Singapore Institution of Safety Officers (SISO). With a legacy of excellence spanning over two decades, this conference stands as a cornerstone event in the realm of workplace safety and health.

At SISO, we firmly believe that prioritizing safety is not just a responsibility, but a shared commitment that empowers individuals and organizations to create safer and healthier work environments. As we embark on this milestone edition, we invite you to be part of a transformative experience centered around the theme, “Let’s Step Up SAFE to make People Safer.”

Safety Accountability, Focus, and Empowerment SAFE serve as the pillars of our theme, embodying the core principles that drive our collective journey towards enhanced workplace safety and health. These principles underscore the importance of individual accountability, the focus on proactive measures, and the empowerment to effect positive change.

Over the years, the SISO WSHO Conference has evolved into a dynamic platform that unites industry leaders, experts, practitioners, and thought influencers from around the world. This gathering fosters a collaborative space for knowledge exchange, innovative solutions, and the latest insights in workplace safety and health.

As we reflect on the significance of the 21st edition, it is a testament to the enduring dedication of our community to create safer and healthier work environments. We are excited to delve into discussions, share best practices, and explore groundbreaking strategies that align with the SAFE principles. Together, we aim to inspire actionable outcomes that resonate far beyond the confines of this event.
